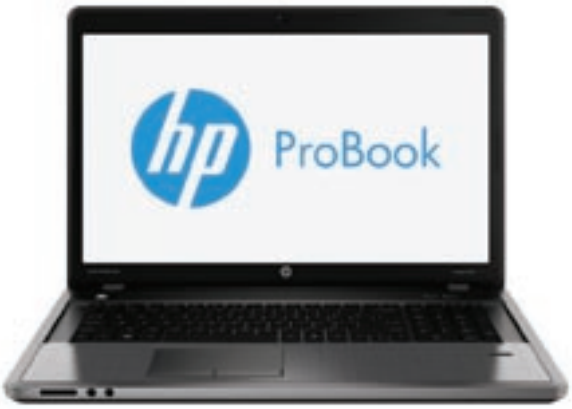
HP ProBook 4740s Notebook PC

Your Business Partner. Optimized for Genuine Windows® 7, these notebooks are ideal for SMBs. They offer multimedia tools, easy-to-use security, aluminum casing for added protection and 43,9 cm (17.3") diagonal HD+[1] display. Gain discrete graphics and battery-saving mode[2].



HP recommends Windows® 7.

Protection inside and out.

The aluminum casing offers extended durability to keep up with mobile use. The smudge-resistant and wear-resistant HP DuraFinish keeps the metallic gray color looking polished.

The spill-resistant keyboard helps protect sensitive electronics and key components from minor spills with a thin layer of Mylar film under the keyboard.

Accidents happen. HP 3D DriveGuard[3] helps protect your laptop's hard drive against impact, bumps and drops so your data has enhanced protection.

Easy-to-use yet robust security features safeguard your data from unauthorized users. From requiring a fingerprint swipe to Face Recognition[4], your notebook is protected.

Accomplish more with the right business tools.

Use discrete graphics to create brilliant visuals and your PC automatically switches to battery-saving mode when every day applications are used. AMD Dynamic Switchable Graphics makes it happen without adding to your To Do list[2].

Add edge to your presentations. Play, edit and create video and audio files with ArcSoft Total Media Suite.

When size matters, choose the display size that works best for you. Opt for a 43,9 cm (17.3") diagonal HD+[1] display. Whether you're looking for a highly portable notebook, a laptop with a large display or somewhere in between, these laptop computers answer the call.

Mix business with pleasure.

Watch training videos at work and enjoy your favorite flicks at home – all thanks to the pre-loaded multimedia software. Use the HDMI port to plug into a large display at home, while running a movie downloaded to your notebook[5].

Face time counts. The HD Webcam[6] helps you connect virtually to colleagues and family members when you can't be there in person. The ArcSoft Total Media Suite can be used to initiate your webcam and do personal photo editing and video recording.

After a long day at work, relax to crisp tunes coming directly from your business notebook and SRS Premium Sound.

ACCESSORIES AND SERVICES

HP Mobile USB NLS DVD-RW Drive

The HP Mobile DVD RW provides an external companion optical drive to accompany a laptop or mini that does not have an internal drive. The external drive provides CD/DVD support as well as Read/Write functionality. It connects to the computer through the USB 2.0 port, and an AC adapter is included.

Product number: A2U57AA

HP Keyed Cable Lock

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.

Product number: BV411AA

HP 90W Slim Adapter

The HP Slim Adapters are available in 65-watt and 90-watt configurations. The Slim Adapters are 40% thinner than the standard notebook adapter and include a convenient USB port for charging other accessories while you work.

Product number: BT796AA

HP 4 GB PC3-12800 (DDR3 1600 MHz) SODIMM

Optimize your HP Business Notebook performance with HP 4 GB PC3-12800 (DDR3 1600 MHz) SODIMM memory.

Product number: H2P64AA

HP PR08 Notebook Battery

The HP Primary Battery is the standard battery replacement for the original battery included with each HP Business Notebook and HP Mini. It's an economical choice for users who primarily use a notebook while plugged in or docked and charge the notebook overnight. Using an additional HP Primary Battery besides the one included in the HP Business Notebook offers additional freedom from a power outlet while travelling or whenever users like to be extra productive.

Product number: QK647AA

3-year Next Business Day Onsite

Care Pack

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: UK703E
